COVER LETTER

Concerned higher authority,

My name is MD Yousuf Jamil. I am a professional front-end developer. Solution-oriented and a problem solver with ample experience in front-end web development. Proficient in HTML, CSS, jQuery, JavaScript, Bootstrap and Tailwind CSS.

You will be glad to know that I have two years of experience in the local and international marketplaces. I worked on several types of projects at Sunshine IT. I helped many local and international brands build their websites.
My portfolio link https://yousufj733.github.io/yousuf-portfolio/

Funds are not the first priority for me right now. I want to deliver good-quality work and add more skills to my learning journey, which is why I am willing to work. If you think I am fit for this position, then give a positive response.

Regards,
YOUSUF
